01 Company Overview

A supply and procurement partner for businesses and organisations.

Supply Synergy Niaga supplies office equipment and general supplies, and provides logistics and procurement services. We support businesses, agencies and institutions with the items they rely on every day, and manage the sourcing and delivery behind them.

Our clients work with a single, accountable team that quotes clearly, sources reliably and delivers on the agreed date, with proper documentation for every order.

04

Why Partner With Us

OUR VALUE TO CLIENTS

01

One accountable supplier

One team handles equipment, supplies and procurement, so clients deal with a single point of contact.

02

Transparent pricing

Itemised quotations with no hidden costs, agreed in writing before any order proceeds.

03

Committed delivery

Delivery dates are agreed upfront and kept, with clients updated if anything changes.

04

Proper documentation

Quotations, confirmations and delivery records for every order, ready for audit.

Experienced in supplying government agencies, municipal councils and private brands.

5

Delivery

Delivered on the agreed date with documents.

- **Itemised quotations**
- **Written confirmation**
- **Committed delivery dates**
- **Complete paperwork**

Muhammad Fauzi Bin Ahmad
Managing Director

Every organisation depends on things arriving: the right equipment, the right stock, at the agreed price, on the agreed day.

I lead Supply Synergy Niaga to be the partner that makes that simple. When you work with us, you deal with one team that quotes honestly, keeps you informed and delivers what it promised.

Thank you for considering Supply Synergy Niaga. I look forward to working with you.

Muhammad Fauzi Bin Ahmad
